Subject: FW: Early Guidance with Wehrum

Hi Nina, Pre- Early Guidance for the MSW Landfills rules has been scheduled for 12/10, but we have not seen the Early Guidance meeting scheduled w/OAR. The Option Selection meeting w/OAR has also been scheduled, so we are concerned that the Early Guidance meeting may have fallen through the cracks. Would you mind checking on this for us? The meeting request was sent forward on 11/21, and OAQPS sent the request to OAR on 11/26. Thanks.

Janet,

I've seen that pre-early guidance with Peter has been scheduled, along with pre-OS with Peter and OS with Bill have been scheduled, but nothing on early guidance with Bill. Just making sure it didn't slip through the cracks or anything; any updates on early guidance being scheduled?

Thanks,
